Four Delphian Members See Group Meet

Four members of the Torrance Delphian chapter were among those attending the Delphian assembly meeting yesterday at the Ball Room of the Beverly Hills Hotel. Representing the local group were Mmes. S. N. Lewis, F. W. Van Oppen, W. G. Smith and H. M. Davis. Speaker for the luncheon meeting was Ken Peters, known as Hazel's husband in "One Man's Family." His topic was "Time Out for Leisure." Delphian is an intellectual study group using books written by recognized authorities on the subject matter under discussion, according to Mrs. Stanley Stroud, southwest area press representative for the group. While taking a positive attitude in discussion, the women don't discuss family, religion or politics on a personal basis and attempt to always use the third person rather than the first in stating an idea, Mrs. Stroud explained.
